

CITY OF NEWTON BUILDING PERMIT FEES

RESIDENTIAL AND COMMERCIAL

NEW CONSTRUCTION AND REMODELING

Building permit fees are calculated at the rate of \$18.60 per \$1,000.00 of the total construction cost including site preparation and site work, all utilities and building equipment such as elevators and cabinets.

Demolition of a structure is a flat fee of \$15.50.

When work is started before the permit is issued, the fee will be double.
